

Completing your Deduction Instruction Form

1. Complete the top panel with your full PPS number, name, address and telephone number (if any). Please ensure the above information is as it appears on your Social Welfare records. If you already hold a Social Services card please tick the “Yes” box.
2. This deduction instruction is **only** for Local Authority rent/tenant purchase/mortgage deduction requests. You must sign this section to authorise An Post to deduct the weekly rent/tenant purchase/mortgage amount (**not** inclusive of arrears) as advised by the Local Authority from time to time.
3. For each type of utility bill you wish to pay you must complete a separate panel on the form.

The information required is:

- The name of the company to receive the payment e.g. ESB Customer Supply, Bord Gáis Energy, eircom etc.
- Account number – in the case of eircom deductions please ensure the account number and not the telephone number is inserted.
- If the name and address of the account holder is different from that of the claimant as entered in Section 1, please complete this section.
- The amount you wish deducted from each Social Welfare payment for the named bill.
- Please ensure you sign this section. This gives An Post the authority to make the deductions you request.
